

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Structural Pest Control Act is amended by  
5 changing Section 10.2 as follows:

6 (225 ILCS 235/10.2) (from Ch. 111 1/2, par. 2210.2)

7 (Section scheduled to be repealed on January 1, 2008)

8 Sec. 10.2. Integrated pest management guidelines;  
9 notification; training of designated persons; request for  
10 copies.

11 (a) The Department shall prepare guidelines for an  
12 integrated pest management program for structural pest control  
13 practices at school buildings and other school facilities and  
14 day care centers. Such guidelines shall be made available to  
15 schools, day care centers and the public upon request.

16 (b) When economically feasible, each school and day care  
17 center is required to develop and implement ~~adopt~~ an integrated  
18 pest management program that incorporates the guidelines  
19 developed by the Department. Each school and day care center  
20 must notify the Department, within one year after the effective  
21 date of this amendatory Act of the 95th General Assembly and  
22 every 5 years thereafter, on forms provided by the Department  
23 that the school or day care center has developed and is

1 ~~implementing an integrated pest management program~~ ~~If adopting~~  
2 ~~an integrated pest management program would not be economically~~  
3 ~~feasible because it would result in an increase in the school's~~  
4 ~~or day care center's pest control cost, the school district or~~  
5 ~~day care center must provide written notification to the~~  
6 ~~Department. The notification must include projected pest~~  
7 ~~control costs for the term of the pest control program and~~  
8 ~~projected costs for implementing integrated pest management~~  
9 ~~for that same time period. The Department shall make this~~  
10 ~~notification available to the general public upon request. In~~  
11 ~~implementing an integrated pest management program, a school or~~  
12 ~~day care center must assign a employee should be designated~~  
13 ~~person to assume responsibility for the oversight of pest~~  
14 ~~management practices in that school or day care center and for~~  
15 ~~recordkeeping requirements.~~

16 (b-1) If adopting an integrated pest management program is  
17 not economically feasible because such adoption would result in  
18 an increase in the pest control costs of the school or day care  
19 center, the school or day care center must provide, within one  
20 year after the effective date of this amendatory Act of the  
21 95th General Assembly and every 5 years thereafter, written  
22 notification to the Department, on forms provided by the  
23 Department, that the development and implementation of an  
24 integrated pest management program is not economically  
25 feasible. The notification must include projected pest control  
26 costs for the term of the pest control program and projected

1 costs for implementing an integrated pest management program  
2 for that same time period.

3 (b-2) Each school or day care center that provides written  
4 notification to the Department that the adoption of an  
5 integrated pest management program is not economically  
6 feasible pursuant to subsection (b-1) of this Section must have  
7 its designated person attend a training course on integrated  
8 pest management within one year after the effective date of  
9 this amendatory Act of the 95th General Assembly, and every 5  
10 years thereafter until an integrated pest management program is  
11 developed and implemented in the school or day care center. The  
12 training course shall be approved by the Department in  
13 accordance with the minimum standards established by the  
14 Department under this Act.

15 (b-3) Each school and day care center shall ensure that all  
16 parents, guardians, and employees are notified at least once  
17 each school year that the notification requirements  
18 established by this Section have been met. The school and day  
19 care center shall keep copies of all notifications required by  
20 this Section and any written integrated pest management program  
21 plan developed in accordance with this Section and make these  
22 copies available for public inspection at the school or day  
23 care center.

24 (c) The Structural Pest Control Advisory Council shall  
25 assist the Department in developing the guidelines for  
26 integrated pest management programs. In developing the

1 guidelines, the Council shall consult with individuals  
2 knowledgeable in the area of integrated pest management.

3 (d) The Department, with the assistance of the Cooperative  
4 Extension Service and other relevant agencies, may prepare a  
5 training program for school or day care center pest control  
6 specialists.

7 (e) The Department may request copies of a school's or day  
8 care center's integrated pest management program plan and  
9 notification required by this Act and offer assistance and  
10 training to schools and day care centers on integrated pest  
11 management programs.

12 (f) The requirements of this Section are subject to  
13 appropriation to the Department for the implementation of  
14 integrated pest management programs.
